## About the Company

AUSTRIACARD HOLDINGS an Austrian group of high-tech IT in Hardware Embedded Security, is an international group active in the business areas of “Digital Security” under the brands AUSTRIACARD and TAG SYSTEMS, “Information Management” under the brand INFORM and “Internet of Things” under the brand NAUTILUS. The Group AUSTRIACARD HOLDINGS with 125 years of history in the field is one of the leading B2B (business-to-business) providers of secure data solutions in Europe with a very strong pan-European operational footprint, reaching from the United Kingdom to Greece and Turkey, with eight production facilities and seven personalization centers in Europe, as well as one additional in the USA. Its reliability is confirmed by the confidence of its customers across 50 countries in highly sensitive areas of Financial Institutions, Government & Public Sector, Telecommunications, Transportation as well as Industry & Retail.

## About the Role

- Collaborate, make recommendations and execute the investor relations program (roadshows etc.) together with the Group Management, including strategy, operating plan and budget
- Build long-term rapport with investors, analysts supporting them in the preparation of analysts' reports, and keep shareholders knowledgeable about the company
- Provide support with ongoing information to the Company's executive leadership, regarding competitive intelligence from the relevant markets, security analysts' positions/summaries and relative stock price movements
- Track and analyze financial models and competitor financial performance
- Manage Investor Relations third party vendor relationships and budgets
- Manage the quarterly earnings process, preparation, schedule, and external resources

## What we Offer

- Diversified tasks in a growing international group
- Responsible scope of duties in a high security environment
- Flexible working hours with home office option
- Various benefits: meal allowance, discounts, canteen, garage, etc.
- an All In salary of € 80.000,- per year on a full-time basis
- Depending on qualifications and professional experience, we offer a market-oriented overpayment!

## Your Profile

- 8 minimum years experience in similar position or relevant field (e.g. banking/corporate finance)
- Masters degree in Finance/Economics/Accounting (or related field). CFA would be a distinct advantage.
- Proficient in English and German
- Comprehensive knowledge of standards and regulations.
- Excellent relations with Regulatory Officers.
- Communication skills, Ability to work under pressure and Confidentiality
